**What's a geologist's favorite restaurant?**

**The Hard Rock Cafe!**

Well here we are, got through another year and looking forward to another great one in 2026. As I leave the post of SNGMS President I wanted to take a moment and thank all of those that have helped make this past year a success. The level of success in any leadership position is a direct reflection of the support structure around them. My top priorities this year were engagement and opportunity. Both are reliant on each other for success. Engagement was an attempt to get new members directly involved early. The new member/visitor table is an important part of that early engagement. Way too many times I saw new members show up to a meeting and then disappear never to be seen again. Thank you to Steve and Amber Palocek for their willingness to step up and manage that.

Once they are engaged, the next step was getting them going at the Lapidary and Education Center (LEC). Richard Nelson's orientation classes were a perfect fit along with the LEC Supervisors and Manager. Taking time with the new members goes a long way. This early stage engagement tool with new and future members was key to getting them in the fray early. Now we see them getting more engaged, going on outings, working in the LEC, and even getting directly involved in the club as volunteers

Many thanks to Wendy Dresser and Mary Beth Paladino for supporting early engagement of young members via the Kids Club.

Thanks to Thomas Boes, Fawn Gifford, and Tim Ruzic on A/V at meetings; Jonathan and Sara Treadwell for managing the field trips; Bud Cranor and Aja Nicholson for teaching silversmithing. Thanks to Mary Savage, Del Walkenshaw, and Ralph Voelker on the 5 year strategic planning team.

In addition to these folks, there were plenty more working to support the club at events, outings and shows (see acknowledgements in the following pages). We have made some great advances and I look forward to seeing even more great stuff. I ask all to look into getting involved to help the club be even more successful. It is surprising what just as little as a few hours a month can do to help fill the gaps. Thanks for your support.

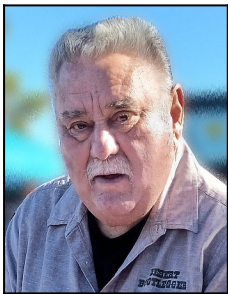

**ROCK ON!!**

**Orville Wiemers, SNGMS President**

### Celebrating the Gems: Honoring Our SNGMS Volunteer Lapidary Staff

Thank you to the 2025 SNGMS Lapidary volunteers. This includes the Lapidary Manager, Supervisors, and the Engineering Team for keeping the shop running and available. Without your willingness to consistently devote time and expertise to the Lapidary, SNGMS would not have a work shop. Thank you for making it all happen!
