To Whom It May Concern:

SNGMS is proud to share that our fourth annual Rocks, Gems & Jewelry Show, Viva Las Vegas Rocks!, held November 7–9, 2025, was a tremendous

success. This family-friendly event featured outstanding rocks, minerals, and educational experiences. As an IRS 501(c)(3) nonprofit, we are committed to serving our community.

Vendors traveled from across the country to showcase rocks, gems, and minerals. Expert speakers shared insights on topics including mining history, opal formation, rockhounding safety, turquoise backing, beading, and creating rock blocks.

Guests enjoyed a vibrant setting filled with discovery and natural beauty, where they could shop for crystals, minerals, and gemstone jewelry while exploring the world of rock collecting. More than 50 vendors offered plenty of holiday shopping opportunities, - lectures, demonstrations, displays, door prizes, and hourly silent auctions made the event engaging for visitors of all ages.

Each year, we also host an event in Boulder City on the first weekend in May, featuring many of the same attractions and activities as our fall show. We invite you to attend both events and consider becoming a sponsor of our organization.

Your support helps SNGMS continue offering youth programs, lapidary arts classes, scholarships for UNLV Earth Sciences majors, and workshop space where members can develop their skills. Please reach out if you have any questions.

Thank you for your consideration.

Sincerely,

SNGMS President
